

Greetings Family!

The 2012 Family Reunion Committee hopes this mailer finds everyone doing well since we last saw one another at the Georgetown, SC reunion.

We are sending this notice to let you know that the planning for the next reunion **IS** under way! As voted on, the committee is hard at work planning a **Family Cruise** for the Summer of 2012, leaving out of Charleston, SC. The date is still tentative at this time due to unavailability of the cruise line schedule, but our goal is for it to take place around its usual time frame. More information will be forthcoming about the cost, payment terms, transportation options and fund raising activities.

The committee wishes to utilize the family's **website** as well as **email** more this year for providing future communication and updates. We need you to do your part in making that possible by making sure we have your email address! We are asking **ALL Family Members** that receives this correspondence and have access to internet and email, to please share this information with those who may not have the access or may not have received this notice.

We want to make sure that we reach everyone and we now have a central location to collect this information electronically via the K-Nowlin Family Reunion website, (www.k-nowlinfamilyreunion.com). The family website will serve as the central location now and in the future to make updates to your address, add your address, post photos and much more.

Stay tuned for additional information to come and get ready to go **"Cruising the High Seas!"**

Respectfully,

2012 Family Reunion Planning Committee

Brian D. Johnson, Davetta Nowlin, Felicia V. Johnson, Kenny Hinson, Rosalind Lee, and Tarasha Williams
